

INSPIRE

ACRYLIC NAIL SYSTEM

ACID FREE - NO BURN PRIMER

INGREDIENTS:

Ethyl Acetate, Sucrose Acetate Isobutyrate

WARNING

KEEP OUT OF REACH OF CHILDREN.

Avoid inhalation. Keep away from heat and open flame.

FIRST AID MEASURE

Eyes:

Flush eyes with plenty of water for at least 10 minutes, occasionally lifting eyelids. Remove contact lenses if present. Seek medical attention.

Ingestion:

Remove the victim to fresh air and keep them at rest in a comfortable position. If swallowed, give small quantities of water to a conscious person but stop if they feel sick; do not induce vomiting unless instructed by medical personnel. Seek medical attention immediately, and never give anything by mouth to an unconscious person; place them in the recovery position if unconscious.

Skin Contact:

Flush contaminated skin with plenty of water. Remove contaminated clothing and shoes. Seek medical attention if symptoms occur. Wash clothing and clean shoes thoroughly before reuse.

Inhalation:

Remove the victim to fresh air and keep them comfortable. If fumes are suspected, the rescuer should wear a mask. If breathing is irregular or stops, provide artificial respiration or oxygen. Seek medical attention and call a poison center if needed. If unconscious, place in the recovery position, maintain an open airway, and loosen tight clothing.

Storage:

Store in a cool, well ventilated area away from heat, sparks and open flames. Close containers when not in use. Store at ambient temperatures out of direct sunlight.

Spill:

Evacuate area. Eliminate ignition sources. Notify fire and environmental authorities. Do not contaminate ground water system.

Fire:

Foam, Carbon Dioxide, Dry chemical or Water Spray (Fog)
