

## ARGENTIUM GEL COLOUR

Colour Number: NON CLEANSE TOP COAT

### Ingredients:

Acrylates Copolymer, Polysilicone-13, Trimethylolpropane Triacrylate, Isopropyl Alcohol, Butyl Acetate

### WARNING:

Avoid direct heat or sunlight. Avoid contact with eyes.  
Do not apply to infected or inflamed nails.

FOR PROFESSIONAL USE ONLY

WARNING: KEEP OUT OF REACH OF CHILDREN

Developed for VIKAMI

**ARGENTIUM** Top coat is a gel polish for natural nails. It contains no solvent and has a stable formula. Combined with new gel technology, the formula helps to protect and prolong colour gels from chipping while providing a high shine finish.

### Directions for use:

Pour desired amount into application bottle. Lightly buff natural nail. Do not smooth the nail surface. Wipe the nail surface with nail cleanser. Apply 1 coat of base coat, and cure. Add desired layers of colour gel, and cure every layer. Finish the nail by adding 1 coat of top coat gel and do a final cure. Remember to cap the free edge.

### Directions for Refill bottle:

Take **ARGENTIUM** Top coat refill bottle, and pour into smaller nail bottle with brush for easy application.

Do not refill into transparent bottles.

Curing Time: LED-30 Sec. / UV-120 Sec.

### FIRST AID:

Avoid skin contact. Do not apply on infected or inflamed nails.

If product get in the eyes, flush with luke warm water for at least 15 minutes. If irritation occurs, contact a physician. This product for external use only. If ingested, do not induce vomiting, drink plenty of milk or water immediately. Get medical attention. Product is light sensitive. Do not store in direct sunlight. Keep the lid closed when not in use.
